THE ANNUAL DINING GUIDE

Jean-Georges Vongerichten's Spice Market took honors as this year's Best New Restaurant.

Spice Market ◀

Who doesn't love the idea of Jean-Georges Vongerichten bringing this sexy New York City restaurant to the ATL? It's located in the W Atlanta-Midtown and serves exotic versions of Asian street food with complex blends of spices all presented to the table family-style. There's also an Atlanta connection—Chef Ian Winslade, who's top toque.
